

Huxley College of the Environment WESTERN WASHINGTON UNIVERSITY

APPLICATION FOR ADMISSION TO HUXLEY COLLEGE

Applications must be received by Huxley College no later than:

January 15 for admission spring quarter

April 25 for summer or fall quarters

October 6 for winter quarter

(If date falls on a weekend, applications are due the following Monday.)

Major (Check One)

- Env. Science
- Urban Planning
- Environmental Policy
- Env. Education
- Geography
- Environmental Studies
- Env. Economics
- BAEd
- Other _____
- Business &
Sustainability (apply
through CBE)

Note: Huxley College is a unit of Western Washington University. Students wishing to attend Huxley College must separately apply for admissions to WWU. This is an application to Huxley College only.

PART I Personal Information

Name: _____

WWU Student No. _____

Local Address: _____

E-mail: _____

WWU email (if different): _____

Local Phone: _____

Permanent Address (if different): _____

Permanent Phone: _____

Check one: _____ Current WWU student
 _____ Transfer, accepted by WWU
 _____ Transfer, application to WWU pending

Admission for which quarter: _____ Fall (due April 25) _____ Winter (due October 6)
 _____ Spring (due Jan. 15)

Applicants must have earned at least 75 quarter hours (including current classes) of college credit to apply. Admission to Huxley College and its majors is selective and based on the following criteria: 1) completion of required preparatory or phase I course work, 2) academic performance (GPA), 3) a brief essay in response to a given question, and 4) relevant experience.

- Undergraduate GPA: WWU ____
- Transfer School GPA [attach unofficial transcript(s)] _____

All applications must have unofficial transcripts attached.

If you are a transfer student you must submit copies of your unofficial transcripts or your Transfer Equivalency Report. You also must include your current class schedule if you are still enrolled in classes at a community college or another university. Omitting these records could mean that you will not be admitted to Huxley.

PART II PREPARATORY OR PHASE ONE CLASSES

If you are applying for the Bachelor of Science major, please complete the section below. If you are applying for the Bachelor of Arts majors, skip to page 3. For combined degrees (Economics, Elementary Education), skip to page 4.

Bachelor of Science

Environmental Science

_____ Emphasis area (such as Terrestrial Ecology, Freshwater Ecology, Marine Ecology, Environmental Toxicology, none). You do not have to choose an emphasis area.

Complete the following.

For each of the prerequisites listed below, indicate whether you have completed the course (**with a C- or better**), you are in the course currently, or you have not completed it (Future). Also indicate the course number or equivalent and the College or University where you took the course. For AP credit, put "AP" in the College column. The Notes column is for any special circumstances you wish to indicate.

	Completed (Indicate Grade)	Current	Future	Name	College or University	Notes

	Completed (Indicate Grade)	Current	Future	Name	College or University	Notes
BCOM or CCOM						
NSCI GUR Complete						
ENVS 204						
ENVS 203						
ESCI 101						
MATH 107 or Higher						

PART III ESSAY

Be sure to put your name and student number at the top of all the pages for your essay.

Essay

Write a one to two page essay explaining what your career goals are and how you think Huxley College can assist you in achieving these goals.

Your essay should be typed double-spaced.

The essay will be rated and ranked to determine your admission. The essay is also important in assigning advisers so that we can match your faculty adviser to your interests and goals.

Additional Information

Transfer students:

All students applying to Huxley College must meet the specific prerequisite requirements for their program.

Students who complete the Direct Transfer Agreement (DTA) associate degree prior to initial enrollment at Western ordinarily will satisfy all of Western's General University requirements. Students holding any other associate degree must fulfill Western's General Education Requirements. See the WWU General Catalog or admissions website for information on transfer guidelines.

Students holding a B.A. or B.S. degree from an accredited college or university who are working toward a second Bachelor's degree will be considered as transfers who have completed the GURs but not preparatory coursework.

Contact Information:
